# **Reformism or Revolution**

**Marxism and  
Socialism  
of the 21st Century**  
by Alan Woods

**Wednesday, 1st October, 7pm**

"Even though I have only read a part of *Reformism or Revolution*, I have read other books by Alan like *Reason and revolt* and they are always very enjoyable, and therefore I have no hesitation in recommending the reading of this book, which proves that the ideas of Marx, Engels, Lenin and Trotsky are still relevant today... While we maintain our own identity and idiosyncrasy, these are the ideas the Bolivarian revolution must be based upon, and not others." Adán Chávez, the former Venezuelan ambassador to Cuba.

**Speakers: Alan Woods (author)**  
**John McDonnell MP**  
**Samuel Moncada, Venezuelan Ambassador**

**Venue: Bolivar Hall 54 Grafton Way, London W1T  
5DL (nearest tube: Warren Street)**
